## **Policies and Procedures**

Chatting Children Speech and Language Center is pleased to have you as a valued family in our practice. We offer a wide range of services and look forward to helping your child improve his/her communication skills. Please read, initial and sign the following policies and procedures agreement.

### **Treatment Sessions**

Therapy sessions are 50 minutes in length unless other arrangements have been made with your therapist. During the last 5 minutes of your child's session, your therapist will write up a treatment note that you will receive a copy of at the end of the session. This treatment note is designed to provide you feedback on that specific session, as well as provide you with homework activities. We believe carryover activities in the home environment are essential to success! Please feel free to ask brief questions at the end of the treatment session, reserving more lengthy discussions for consultation appointments.

If you will be leaving the office during your child's session, please advise your therapist and be sure your cell phone number is on file. Returning to the office 5 minutes before the end of the session is imperative so that the session can be reviewed with you before your therapist's next scheduled appointment. Should tardiness on pick-up become problematic, we reserve the right to charge you our hourly rate for the additional time in office. Therapy sessions are back to back so late pick-ups affect the following client's session.

### **Billing and Insurance**

Payment by check or cash is expected at the time of service or upon receipt of invoice. Please make checks payable to **Julie K. Cotter**. If payment is delayed for more than two weeks, future sessions will not be provided until payment has been received. If a check is returned for insufficient funds, the additional fee will be charged to your account. Unfortunately, Chatting Children Speech and Language Center does not accept health insurance. It is your responsibility to retain all treatment notes, evaluations, progress reports, invoices and treatment plans to provide to your insurance company. Should you require additional information, you will be charged the hourly rate for the time it requires to collect the material.

### **Cancellations**

If you must cancel a session, **please do so 24 hours prior to your appointment to avoid being charged for the session.** Exceptions will be made in cases of emergencies and illness at the discretion of the therapist. Please be mindful that careful individual planning and time goes into preparing for your child's speech-language therapy. We want to maximize your child's potential and progress with consistent therapy sessions. Also be advised that there is an extensive waiting list for current therapy slots. Therefore it is important for you to attend all therapy sessions as scheduled and to arrange for make-up sessions when possible. Should frequent cancellations become problematic, we reserve the right to bill for a minimum of 3 sessions per month in order to hold your time slot. Should you be arrive late to your child's therapy session, the session will not go over the allotted time slot, nor can make up time be scheduled. It is your responsibility to arrive on time and pick up your child on time.
